19-Mar-13 17:42 | BCCEWH

@BCCEWH Q5 Women's health: balancing work/family stressors versus finding/accepting alternatives for happiness,health #womenshealth2013

19-Mar-13 17:42 | 110lertje

Q5. Research that supports women to become involved in their own health and health care #womenshealth2013

19-Mar-13 17:41 | Fraserhealth

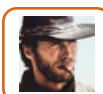

@annamliw Excellent initiative to get the general public involved. #womenshealth2013

19-Mar-13 17:41 | BCCEWH

@CdnWomensHealth Yes, we shouldn't underestimate the power of social media #womenshealth2013

19-Mar-13 17:40 | BCCEWH

RT @rhrealitycheck: Check out thoughtful questions & convo about health happening right now at #womenshealth2013

19-Mar-13 17:40 | politaire

A6. Cafe Scientifique! #womenshealth2013

19-Mar-13 17:40 | annamliw

A6 social media has been huge for sharing knowledge as well @BCCEWH #womenshealth2013

19-Mar-13 17:39 | CdnWomensHealth

Q6. How can we help the public learn about knowledge generated by women's health researchers? #womenshealth2013

19-Mar-13 17:38 | BCCEWH

RT @BCCEWH: Social media is definitely helping women's health research groups collaborate in unique ways #womenshealth2013

19-Mar-13 17:37 | CdnWomensHealth

@the_owhn Thanks for the link. It looks like a great resource. #womenshealth2013

19-Mar-13 17:36 | BCCEWH

So it sounds like everyone is supportive of including women in all stages of the research - from planning to policy #womenshealth2013

19-Mar-13 17:36 | BCCEWH

Healthy Living report link. <http://t.co/hgXeRMysnf> #womenshealth2013

19-Mar-13 17:35 | BCCEWH

A3: It's useful for health orgs to have sound evidence that can lead to changes to improve diverse women's health #womenshealth2013

19-Mar-13 17:32 | Fraserhealth

@annamliw Here is the link to the report. <http://t.co/5wJyptH39x> #womenshealth2013

19-Mar-13 17:32 | BCCEWH

A5. Ideally research topics generated by women and communities themselves. #womenshealth2013

19-Mar-13 17:32 | The_OWHN

Q5. What areas of research do you feel would benefit women most? #womenshealth2013

19-Mar-13 17:30 | BCCEWH

Agreed, getting charitable status can also be frustrating and limit advocacy work and potential @The_OWHN #womenshealth2013

19-Mar-13 17:29 | CdnWomensHealth

RT @CdnWomensHealth: We also have a nice set of postcards about breast cancer prevention <http://t.co/A8kdZ1nq3e> @BCCEWH #womenshealth2013

19-Mar-13 17:29 | EvidenceNetwork

A3 The impact is huge! This is an essential component of knowledge exchange, and crucial for research to effect change #womenshealth2013

19-Mar-13 17:27 | womensresearch

A2. At the BCCEWH we have worked on women & healthy living, incl physical activity, sedentary behaviour, food insecurity.. #womenshealth2013

19-Mar-13 17:27 | annamliw

We also have a nice set of postcards about breast cancer prevention <http://t.co/C9aCu48svD> @BCCEWH #womenshealth2013

19-Mar-13 17:26 | CdnWomensHealth

A4 Addressing women's health very difficult in current funding situation. We need creative funding sources #womenshealth2013

19-Mar-13 17:26 | The_OWHN

A2. RCT evaluating tomosynthesis with Dr. Paula Gordon at BCWH #womenshealth2013

19-Mar-13 17:25 | womensresearch

Just a reminder for everyone to use the #womenshealth2013 so we all can see the great answers and conversations happening

19-Mar-13 17:25 | BCCEWH

We've been trying to raise awareness about breast cancer in women who work in plastics, e.g. car manufacturing @BCCEWH #womenshealth2013

19-Mar-13 17:25 | CdnWomensHealth

Q4. How can other groups continue to address women's health in their future work in current climate? #womenshealth2013

19-Mar-13 17:24 | BCCEWH

@cdnwomenshealth The work around prevention is critical. Important to connect conversations of prevention and screening. #womenshealth2013

19-Mar-13 17:22 | The_OWHN

@110lertje Yes, that's a great contribution #womenshealth2013

19-Mar-13 17:19 | BCCEWH

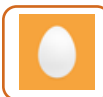

Check out thoughtful questions & convo about health happening right now at #womenshealth2013

19-Mar-13 17:19 | rhrealitycheck

@CdnWomensHealth Glad you can join! #womenshealth2013

19-Mar-13 17:19 | BCCEWH

@BCCEWH better detection and treatment of breast cancer and an increase in survival rates #womenshealth2013

19-Mar-13 17:18 | 110lertje

@Fraserhealth Health services planning is a great way to get women involved #womenshealth2013 A2

19-Mar-13 17:18 | BCCEWH

RT @Fraserhealth: #womenshealth2013 Forensic Nurses in Fraser have research funds to help trafficked women who come through the ER <http://t.co/cmnLkjBX2F>

19-Mar-13 17:17 | MStewartinBC

Interesting, @The_OWHN, we've also been looking at breast cancer, but more at refocusing around prevention. #womenshealth2013

19-Mar-13 17:17 | CdnWomensHealth

RT @Fraserhealth: #womenshealth2013 Forensic Nurses in Fraser have research funds to help trafficked women who come through the ER <http://t.co/cmnLkjBX2F>

19-Mar-13 17:16 | BCCEWH

Q3. Centres like @BCCEWH have been doing policy-based research. What do you think of the impact of policy research? #womenshealth2013

19-Mar-13 17:15 | BCCEWH

Our Women's Health team is creating a strategy to engage women in health services planning <http://t.co/VXF73SMeKG> #womenshealth2013
